

Sandwell Local Plan – Issues & Options Consultation Comments Form

We need local people from across Sandwell to have their say on the future of the Borough. We want your views on how we can best meet the housing, economic and transport needs, as well as protecting our local environment.

It is important people have their say so we are all working together to achieve the very best for our local communities.

The Sandwell Local Plan is the key planning and regeneration document for the Sandwell. It will plan for the area's future local development needs and directs services to the right locations to meet local needs. It also makes sure the necessary level of investment is attracted to create jobs and wealth in our region.

The current Sandwell Development Plan was adopted in 2011. It has shaped the housing, industrial and retail growth of our region, whilst protecting the environment and greenbelt. It has also been successful in supporting regeneration for the past ten years.

The Plan now needs to be reviewed to meet the new challenges and opportunities for the coming years, up to 2041. We are launching a consultation to make sure that everyone across the Sandwell has the opportunity to have their say on the plans for the Borough.

Please let us know your views on these issues by completing the comments box.
